FUTURE ICE STOCK SPORT

A ZERO RISK offer

Part I: Offer Acquisition

Acquiring a LIKE-ICE! Surface in the hire purchase system (3+1). The surface will be provided for the union all-year-round. Cancellable yearly. The union pays a yearly rent of one third of the cost price. In the fourth year the union can purchase the surface for an installment payment (half a rent price).

Within the EU without bank guarantee. Outside of the EU with the submission of a bank guarantee at the price of two yearly rents.

Part II: Counterdeal Advertising Agreement

LIKE-ICE! and AST negotiate an advertising agreement over four years and pay 900 Euros per year. In return LIKE-ICE! and AST receive, among other things, 4h ice time per year on the new rink of the stock sport union, next to the advertising services. These ice times can be passed on freely.

The IFI will also take on ice times on the new rink.

Part III: Services

The IFI already offers and will further establish special services for the usage of LIKE-ICE! surface. Whether it's a tournament or some other sort of event, everything that promotes the sport is supported. The support ranges from IFI teams for tournaments to cost absorption for teams and training camps and much more.
